

NOTED SINGER DELIGHTS TULSA

Schumann-Heink Pleases
Audience Here on Sec-
ond Appearance

PROGRAM DIVERSIFIED

Spent Afternoon in Tulsa
Movies; Likes Bill Hart
"Red Blooded" Pictures

The artistry and good nature of Madame Ernestine Schumann-Heink was sufficient to delight a splendid audience in Convention hall last night when the famous contralto sang, assisted by Miss Nina Fletcher, violinist and Mrs. Kathryn Hoffman, pianist. This was the second appearance of Madame before a Tulsa audience. The program differed from the usual one given by artists here, and few heavy selections were given. It was a happy diversion.

In the Mozart aria, rich timbre of voice and dramatic insight won admiration for her. The program announced an "Indian Love Song" with violin obligato by Miss Fletcher, and to the delight of the audience, this proved to be "By the Water of Minnetonka," a favorite, to much applause the singer was forced to give it again. The last group were patriotic in trend. "The Home Front" by Carpenter, "Have You Seen Him in France," by Ward-Stephens, "Haps," by Pasternack and "When Pershing's Men Go Marching Into Germany," by Rogers. As one of the encores, Madame sang "Daddy Boy," which she announced to the audience was given in honor of St. Patrick's day.

Miss Fletcher evidenced her art in the first number, Romance in F by Beethoven and in the two numbers "Chante Noire" and "From the Canoe," by Brahms. To Mrs. Hoffman much admiration was given for her superb work as the accompanist of evening. Madame Schumann-Heink said that she liked to leave Tulsa, for she had spent a delightful two days here. She was abuzz with jeweled decorations bestowed on her for her supremacy as a contralto and amid these she wore her service badge with four stars of red and one of gold.

Madame arrived Sunday morning and spent Sunday afternoon and evening at the movies. While talking to friends after the concert last evening she remarked that she always went to see William S. Hart movies. "You see," she said, "I like red-blooded stories like Hart plays in and I like Meligam as a lover. I laughingly, she concluded, "Then I don't have to see the movies and I can be entertained, instead of entertaining."

PLAN PROGRAM FOR SPRING

First Christian Sunday School Will
Have Recreational Outings.

Spring will bring pleasant things in the way of socials to the boys and girls of the intermediate department of the Sunday school of the First Christian church if all goes well with the plans made yesterday afternoon by officers of the department in conference with Richard Heilbron, educational director of the church.

The three-fold recreation program outlined was a monthly social for the whole department, one activity each month for the boys and girls separately and individual "outings and innings" in the different classes. Fred D. Harris is superintendent of the intermediate department and the officers, from the student body of the department, are: Ted Gettlinger, president; Olive Pray, vice president; and Gladys Williams, secretary-treasurer.

COULDN'T STOOP TO TIE SHOES

Gets Rid of Rheumatism
and Gains Twenty-Four
Pounds by Taking
Tanlac

"Tanlac not only added twenty-four pounds to my weight but put me in as good health as I ever was in my life," said Augustus Heiba, a well-known farmer of Morton, Okla. "For four years I was troubled with rheumatism and indigestion," he continued, "and many a day I came clean out while working in the field and had to lie down until I got strength enough to get back to the house. My rheumatism was so bad that every morning I had to rub my legs before I could stand up and my back was so stiff and painful that it nearly killed me to stoop over. My joints, too, were so stiff and sore that I could not bend over to tie my shoes. My appetite was very poor and when I did eat anything I was in misery for hours afterward. I was hardly ever able to get a good night's rest because my kidneys were so badly out of order, and last spring my condition got so bad I wasn't able to work and for several weeks I could hardly get out of the house."

"The man I hired to take my place recommended Tanlac so highly that I began taking it, and to my surprise in my body now and can do as hard a day's work as any man. I eat three square meals a day, digest them perfectly and sleep like a top every night. In fact, I couldn't ask to be in better health, and all the credit is due to Tanlac."

Tanlac is sold in Tulsa exclusively by Quaker and Puritan Drug Co.—Adv.

OKLAHOMA CITY, March 15.—Construction of a joint passenger station in Oklahoma City by the Rock Island and Frisco railroad companies at the railroad tracks immediately west of Hudson avenue, became again a matter of definite possibility this afternoon when R. A. Kleinschmidt, attorney for the Frisco Railroad company, filed an application with the state corporation commission asking for the revival of the order issued March 9, 1915, requiring that such a station be built, and asking that a limit of 30 days be allowed for filing plans for the station with the commission.

WOMEN TALK POLITICS

Town Club Members Urged to Vote
Today at Last Night's Dinner;
John R. Hadley Speaks.

"Vote, vote, vote," John R. Hadley urged women of the Tulsa Town Club in an address at their semi-monthly dinner in the Kennedy restaurant yesterday evening.

"Don't think that you lower yourself as women by voting," he said. "You must vote or lose your rights. Use your own judgment and vote for the best man you find on the ticket of your party. Be honest and conscientious with yourself. And remember that if you don't vote you have no right to complain about conditions in the city."

James M. Ford, community service organizer, who was introduced by Miss Louella Beels, president of the Tulsa Town club, in turn presented W. R. Waghorne, some director from the national headquarters, who announced that classes in song leading would begin next week.

Almost Blind and a Cripple From Rheumatism, Number 40 Gives Relief

Read the following unsolicited testimonial from Mrs. W. F. Smith, box 592, Murphysboro, Ill.: "My daughter was almost blind with cornelia (inflammation of the eyes) had inflammatory rheumatism so bad she had to go on crutches. The doctors gave her up, so we tried change of climate, but nothing did her any good. I read an advertisement of Number 40 For The Blood and decided to try it. After taking the second bottle she was much improved, has now taken five bottles, her eyes have both cleared and her limbs are sound and well, and she has not the least symptoms of the trouble returning. My father, 65 years of age, was an invalid for nine years with rheumatism, is now taking his fifth bottle, can get around as good as anybody, and says he feels 15 years younger since taking Number 40. My daughter's case has opened the eyes of quite a number of sufferers from rheumatism as well as myself, who believe 40 is the best medicine on earth." 40 is demanded in chronic inflammation of mucous membranes, in chronic rheumatism, catarrh, eczema, skin eruptions, constipation, indigestion, stomach, liver and kidney disorders. Made by J. C. Mendenhall, Evansville, Ind., 40 years a druggist. Sold by Steinberg Bros.—Adv.
